

## Year 3 Newsletter Summer 2

Hello and welcome back for Summer 2! We have lots of learning and exciting things planned for our last half-term of Year 3, including our trip to The Lowry which we are all looking forward to! The children have worked so hard this year and I am so proud of all their achievements and progress this year. As always, if you have any queries, please contact me on Dojo.  
Miss Entwistle

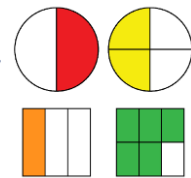

### English

In our English lessons, this half-term, we will be looking at the lovely book 'Be More Dog'. A story all about finding happiness in the simple things. For this we will be writing instructions on how we find our own happiness.

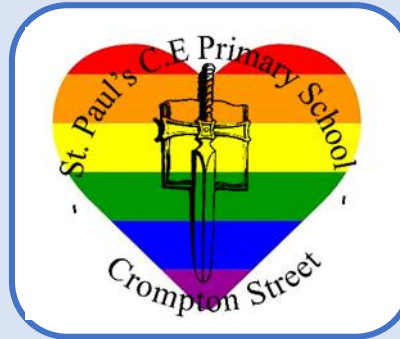

### Maths

In Maths, in summer 2, we will be focusing on fractions and decimals and then going into our topic maths units such as; money, time, shape and measurement.

### P.E.

Year 3 will have P.E. on a Wednesday and Friday. They can wear their P.E. kit to school on these days: black/grey joggers, red t-shirt and black trainers. Children should wear their normal school jumper or fleece for outdoor sessions.

### R.E.

Our R.E. topic for this term is 'How and why do people try to make the world a better place?' For this topic we will be taking a deeper look into how Christians and other religions try to make the world a better place and their beliefs.

### Science

This term, our topic is 'How far can you throw your shadow?' This is a physics unit where we will be investigating light and dark. We will be looking at what surfaces are reflective and what causes a shadow.

### Reading Books

Reading as regularly as possible to an adult can really help your child's progress. We would like to see your child read a minimum of FIVE times a week, which will be checked every Monday. Once they have read, an adult should sign and date their Reading Record.

### Homework

Homework is set every Friday and should be returned by Wednesday. Please encourage your child to complete their homework to a high standard.

### History

Our history topic, this term, is all about Walkden's History of Transport!

We will be researching how transport has changed throughout history. We will be looking at the creation of the Bridgewater Canal and when Queen Victoria came to visit Worsley
