

Year 6 Newsletter Summer 2

Welcome back for the start of the final half-term in Year 6. This half-term will be filled with lots of exciting learning alongside transition sessions and preparation for High School. We will also be busy practising a Leaver's Assembly, visiting Manchester Cathedral, graduating with Children's University as well as a few other surprises! Please contact me through Class Dojo if you have any queries.
Mrs O'Reilly

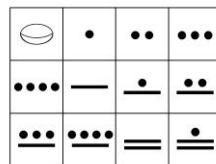

English

In English, we will be creating alternative fairy tales in the style of 'Gina Kaminski'. We will also be performing a piece of poetry and creating 'Survival Guides' for the new Year 6 children! In Reading time, we will be sharing books linked to our topics and recommending our personal favourites.

Maths

In Maths, we will be working on solving problems and investigations. We will also be looking at the Mayan number system. This will be alongside continuing to practise our arithmetic skills with the 4 main operations ready for High School.

P.E.

Year 6 will have P.E. on a Monday afternoon. They can wear their P.E. kit to school: black/grey joggers/shorts, red t-shirt and black trainers. There will be extra P.E. sessions this half-term. Days children can come in P.E. kits will be shared on Class Dojo.

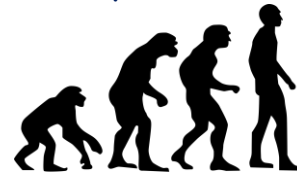

R.E.

This half-term our topic is titled 'Creation and Science: conflicting or complementary?' which follows on from our learning earlier in the year.

Science

This half-term, we will be continuing our topic on plants and animals by learning about evolution. This will include finding out about how organisms adapt to their surroundings.

Reading Books

Reading as regularly as possible to an adult can really help your child's progress. We would like to see your child read a minimum of **FIVE** times a week, which will be checked every Monday. Once they have read, an adult should sign and date their Reading Record.

Homework

Homework is set every Friday and should be returned by **Wednesday**. Please encourage your child to complete their homework to a high standard.

History

This half-term, Year 6 will be learning about the Maya civilization including finding out about everyday life and the Gods they worshipped.
